

# CAPABILITIES OVERVIEW

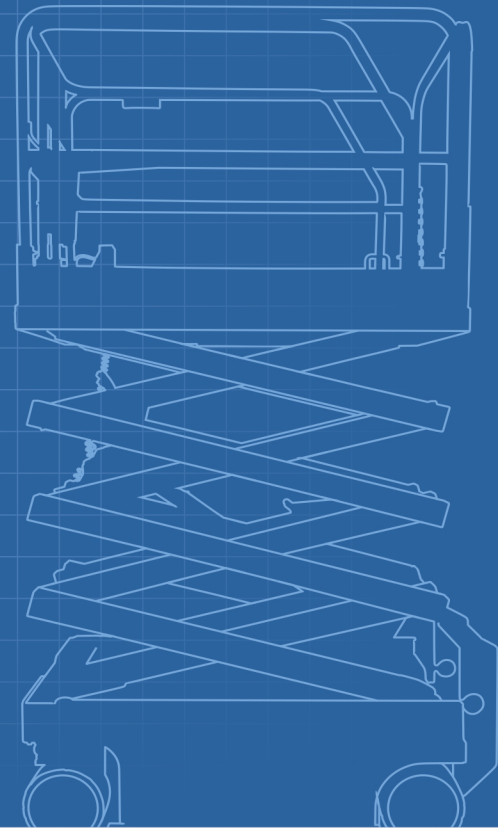

## "Best in Class" High Quality Equipment Reconditioning

At 205, we recondition all types of industrial equipment to include aerial work platforms, forklifts, earthmoving equipment and trailers.

We recently created our new "Red, White and Blue" line of Genie lifts.

With over 20 years in the industry, we support the southeastern United States for aerial equipment services, support, refurbishing, reconditioning, rentals and new lift sales.

205 Industries supports the southeastern United States including Tennessee, Kentucky, Virginia, North Carolina, South Carolina, Georgia, Alabama, Mississippi, and North Florida.
